All alcohol must be served by one of the two preferred bartending services listed on the Vendor section of our website (additional fee required). Alcohol may not be served to minors. Absolutely no BYOB or cash bars allowed. Illegal substances are not allowed at any time on the premise. Drunken/Violent disturbances are prohibited and subject to immediate removal from the premise and possible termination of event with a \$250 fine for any breach of contract.

## **Food**

You may bring in your own food, hire one of our preferred vendors, or hire your own caterer. We provide a full size fridge/freezer combo for food storage and a utility sink for clean-up. Food must be prepared offsite and brought to the venue. If you are hiring a caterer for your event, we can set-up a time for them to tour the space. *Please note that if your caterer has a bartender that is licensed and insured, they may serve in place of The Village Gathering Place's bartender.*

## **Vendor Information**

Vendor set-up and clean-up time must be included in the overall rental time. Most caterers/bartenders require a minimum of one hour for set-up, so please make sure to account for this in the reservation time. Any additional time required beyond your originally reserved time will be charged to the credit card on file as a time extension.

We are more than happy to arrange a time for a tour or phone conference with vendors to discuss what is included with the space. However, we ask that the booking contact or an event representative is on-site for vendor arrivals to assist in answering questions and event specific set-ups.

## **Trash Removal**

We provide trash cans on-site for your use. You are responsible for the clean-up of all trash in these provided bins. We also include the removal of trash in your rental fee.
